

Whytewold Emporium

Special Summer Menu 2010

Come enjoy our summer favorites, cooked to mouth-watering perfection, on our outdoor Traeger wood pellet grill. This is no ordinary BBQ experience: we use real hickory & mesquite to coax out those authentic southern flavors.

This special summer menu is offered in limited quantities & only on weekends. We can predict two things...the taste will be exquisite and we will likely run out of what you want...unless you tell us you are coming
